Data privacy:

Personal data will be filed. Your personal data is subject to data privacy and will only be used for purposes within the tandem partnership. A transfer of data takes place only between both tandem partners. A transfer to a third party or other usages are excluded. Your data will be archived for five years. With this registration you consent to the usage of your personal data for management purposes within an electric database of the Ruhr-Universität Bochum. This consent can be cancelled in written form any time.
